This letter is to extend our appreciation and service provided by CT Elevator Pte Ltd (CTE) for the following project.

Re: Lift Maintenance service for 87 Defu Lane (KONE LIFT) and 29 Tai Seng Avenue (OTIS LIFT)

CTE has been our lift maintenance service provider for a while now and we would like to thank the company for their improvements in the lifts. There are way lesser breakdowns and a high-performance rate and we are glad that they are our service provider. We recommend this company as a great lift maintenance service provider.

Testimonial for CT Elevator Pte Ltd

We are pleased to provide this testimonial for CT Elevator Pte Ltd in ("CT Elevator") recognition of their excellent performance as a subcontractor for the Proposed Erection of a 4-Storey Single-User Industrial Building on Lot 03096M PT MK29 at Tampines Industrial Crescent (Paya Lebar Planning Area) (the "Project").

CT Elevator was awarded the contract in November 2018 for the supply and installation of service lifts and cargo lifts for the Project. We are pleased to confirm that the works were completed successfully and to our full satisfaction, meeting all specified requirements, quality standards, and project timelines.

Throughout the contract period, CT Elevator demonstrated exceptional professionalism, technical expertise, and dedication. Their team was efficient in managing site operations, responsive to project needs, and proactive in resolving any challenges that arose. Their ability to coordinate effectively with other on-site trades contributed significantly to the smooth progress of the Project.

The quality of their workmanship and commitment to delivering excellent results were commendable. Based on our positive experience, we would confidently recommend CT Elevator for similar projects.

Yours sincerely,

SEOW SOON YONG
CEO
